Dell Pro Max 14

Step up to Dell Pro Max

Featuring the latest Intel® Core™ Ultra processors and NVIDIA Pro graphics.

Designed to perform intensive workloads and multi-tasking,
Dell Pro Max is purpose-built to power your applications.

Elevated experience

With a newly redesigned 14" form factor, 16:10 aspect ratio, a larger click-pad, and options for up to a QHD+[1] display and 8MP+[1] IR camera, enjoy unparalleled comfort and exuberance.

Extraordinary performance

Tailored to the Power User. Dell Pro Max 14 features up to Intel Core Ultra 7 processors, NVIDIA RTX PRO 500-class graphics[1], 7467MT/s memory speeds, and 2TBs of storage.

Exceptionally mobile

Starting at just 4.04lbs and featuring excellent connectivity options, including Wi-Fi 7, BT 5.4, and single-cable docking, your projects are effortlessly portable. With a robust 72Whr 4-cell battery, you can stay productive on the go for extended periods.

Expanded sustainability

Incorporates bio-based materials and recycled content. Employs 100% recycled packaging and shipping material. EPEAT Gold registered with Climate+ designation, Energy Star 9.0[1] and TCO10 certified products.

Excellent reliability

Tested and certified by leading ISVs to guarantee outstanding application performance, MIL-STD tested for durability against everyday wear and tear, and backed by a reliable warranty with optional service enhancements.

1. Offering may vary by region. Some items may be available after product introduction. For complete details, refer to the Owner's Manual published on www.dell.com/support.

2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.

3. 4GB or Greater System Memory Capability: A 64-bit operating system is required to support 4GB or more of system memory.

4. Storage Option: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

5. TPM is available in selected regions.

6. Please refer to www.epeat.net for specific country registration rating and participation.

7. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.

8. Onsite service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.

9. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.

10. For complete listing of declarations and certifications, refer to the Dell Regulatory and Environmental Datasheet found in the Manuals section of Product Support information www.dell.com/support/home/us/en/19.
