HP Automatic Replenishment Solution (ARS)

The easiest way to get discounted HP Original Supplies delivered automatically.

What is ARS?

Using a printer fleet management tool, toner and ink are automatically delivered to you when your printer is running low. It's smart toner restocking, built for convenience — your printers get what they need, when they need it, without the hassle.

Print smarter — supplies delivered before you run out, on time and on budget.

Benefits

- Exclusive savings on HP supplies — premium quality at a price you'll love.
- Hassle-free toner/ink replenishment — automatically shipped when you're running low. No last-minute supply runs!
- Genuine HP OEM reliability — because your printer deserves the best.
- Smarter inventory management – no extra stock.
- Help create a healthier planet – HP is recognized as one of the World's Most Sustainable Companies.
