

# Acer TravelMate P4 Spin: EXPERIENCE THE FUTURE OF AI PRODUCTIVITY TODAY

Move your organization into the future of work with the Acer TravelMate P4 Spin, a 2-in-1 AI business convertible laptop.

## Windows 11 Pro and Copilot: AI-Assisted Productivity

According to three recent studies<sup>1</sup>, businesses that harnessed the power of Windows 11 Pro with Copilot resulted in:

**42%**

faster workloads

**58%**

fewer security incidents

**68%**

improvement in quality of work

With Copilot, your organization's content and data is safe as it is — not saved or used to train AI models.

## Powered for the AI Future

The Acer TravelMate P4 Spin gives your workforce an AI-powered performance boost thanks to next-gen Intel® Core™ Ultra processors with vPro. The Acer TravelMate P4 Spin also includes:

- Up to 64 GB DDR5 Memory
- Up to 1 TB M.2 PCIe SSD

## Mobile Work, Beautifully Redefined

This 2-in-1 device offers a thin profile, 14.5-hour battery life<sup>2</sup> with fast charging, a stunning 14" WUXGA (1920 x 1200) matte display<sup>3</sup> with touch, a 16:10 narrow bezel for enhanced visuals, plus improved sound thanks to built-in DTS® audio.

## Acer AI Features

Don't miss out on all the AI-driven extras that Acer has engineered into these devices:

Acer TravelMateSense

Acer Experience Zone

Acer LiveArt

Acer AlterView

Acer PurifiedView

Acer PurifiedVoice

## Windows 11 Pro: Security You Can Trust

### TPM 2.0:

Your hardware is secured by default with discrete trusted platform module (TPM) 2.0.

### Security out-of-the-box:

This includes phishing safeguards, passwordless security, and app control.

### Modern security management:

Streamline security management across diverse locations and extend your security to the cloud.

## Reliability & Sustainability Thanks to Acer Innovation

- With the Acer TravelMate P4 Spin, you're getting the rugged reliability Acer devices are known for.
- Rugged design passes MIL-STD-810H military-grade testing.
- The Acer TravelMate P4 Spin is EPEAT® Gold registered, TCO certified, and incorporates recycled materials.
- Acer Dust Defender helps improve device performance and longevity.
