

PORTABLE MONITOR CRAFTED FOR IMPROVED PRODUCTIVITY

The ThinkVision M14 is an ultraslim and ultralight mobile monitor. Its 14-inch screen helps you extend your workspace comfortably no matter where work takes you. Compatible with notebooks of any screen size that come with a full-function USB Type-C port*, the ThinkVision M14 can either extend or duplicate your notebook display with one plug. The advanced USB Type-C ports on either side allow both left- and right-handed users to work easily, and the ergonomic design enhances user experience. Packed with impressive portability, connectivity, and flexibility features, the ThinkVision M14 is ideal for mobile productivity.

Extreme Portability

Superior Connectivity

Remarkable Flexibility

ACHIEVE TARGETS ON THE GO

The ThinkVision M14 boosts productivity with its thin and light form factor. Weighing less than 595g, this 4.6mm sleek mobile monitor enables easy portability. The stylish design with a full-HD, IPS display provides vivid lifelike visuals, ensuring you never miss out on any detail. With a brightness of 300 nits, the ThinkVision M14 mobile monitor offers a stunning visual experience while consuming content online.

Weight
≤595g

Screen Size
14 inches

Brightness
300 nits (Typical)

4.6mm sleek: approximately as thin as two USD \$1 coins

EXPERIENCE ADVANCED CONNECTIVITY

Two innovative USB Type-C ports on either side of the monitor make connectivity effortless. These ports support both power and video delivery simultaneously from a single port. The ThinkVision M14 also offers a 'power pass through' design that powers the mobile monitor by an adapter and charges the notebook at the same time. This feature is suitable for smartphones or notebooks with one USB Type-C port. Built with an ambidextrous design, this monitor enhances user comfort.

USB Ports
2 x USB Type-C

Cable
USB Type-C to C

Ambidextrous design: built to enable both left- and-right handed users to work with ease

WORK THE WAY YOU LIKE

The ThinkVision M14 with its admirable flexibility is built for varied job roles. With a tilt angle of -10°-90°, you can position your monitor in a way that suits your style. Compare content with ease even as you use laptops of different screen sizes with the ergonomic height adjustable foot. Also, you can wall mount your monitor effortlessly with mounting support for a hands-free viewing experience. The advanced low blue light technology minimizes eye strain, making extended working hours easy.
