

Express Install for Microsoft Teams Rooms

Express Install for Microsoft Teams Rooms is a streamlined, quick and easy installation option that delivers a full native MTR experience across huddle spaces and small meeting rooms, leveraging Copilot within Microsoft's AI-Powered ecosystem. With no custom room modifications or integration services required, Express Install is less complex, resulting in added value, lower total cost of ownership and enhanced ROI that enables you to deploy native Teams Rooms quickly and at scale.

Heckler Express Install Tabletop Stand

Designed to rest atop the end of a meeting table, this stand provides an elegant solution to incorporate Logitech devices without requiring any modifications to the room.

Heckler Express Install Rolling Stand

About the size of an office chair, this stand can roll easily into place. Simply move a chair and position the stand in its spot.

Steelcase Ocular Coupe Towers

(seated height)

A collaboration-ready and standalone solution that integrates Logitech devices and furniture in open spaces and huddle rooms.

Salamander Designs Acadia Tabletop Mount

Designed to sit securely on a table or credenza, this mount provides a clean way to support Logitech video devices without any wall installation required.

Fast, simple, and flexible

What if one person could install an entire room in less than 1 hour?
For focus spaces and small rooms, Express Install solutions offer just that – a flexible, quick installation of Teams-certified Logitech devices accompanied by furniture accessories & commercial displays.

Logitech Conference Cameras

MeetUp 2

An AI-powered USB conference camera for huddle spaces, MeetUp 2 simplifies the meeting experience for employees and IT.

Rally Bar Huddle

An all-in-one video bar for huddle spaces and small rooms, Rally Bar Huddle is designed to deliver equitable video conferencing meetings with ease.

Provides flexibility to switch between Teams Rooms on Android and Teams Rooms on Windows.

Rally Bar Mini

Logitech's most advanced all-in-one video bar for small and medium spaces, Rally Bar Mini combines powerful AI-driven audio and video capabilities to deliver crystal-clear meetings.

Provides flexibility to switch between Teams Rooms on Android and Teams Rooms on Windows.

Logitech Touch Controllers

Tap and Tap IP

With one-touch join, wired and wireless content-sharing, and room control, Logitech touch controllers make it super easy and fast to join a Teams meeting.

Commercial Displays

Samsung & LG

Built with commercial grade components for heavy duty use, commercial displays can run up to 24 hours a day, seven days a week.
