

# HP IT Asset Disposition

Extend the life. Protect the data. Drive circular impact.

Whether end-of-use devices are stockpiled in storage or scattered across remote teams, unmanaged devices pose an unnecessary risk to security and compliance. HP IT Asset Disposition provides a secure, compliant recovery process—ensuring all data is wiped and all technology can be reused, then recycled, giving your legacy IT a second life while advancing circularity goals.

## Security you can trust

- Industry-certified data sanitization and device destruction
- Detailed Data Destruction Report for compliance and audits
- Meets ISO 27001, NIST 800-88 and global standards

## Why IT Asset Disposition?

- Fast, secure and compliant global retirements
- Transparent reporting and sustainability documentation
- Backed by industry-leading certifications and HP reliability

## Proven environmental impact

- Optimized product recovery through reuse first, then recycle policy.<sup>4</sup>
- Support circularity goals by slowing down waste creation
- Annual Sustainability Report quantifies your return impact

## Recover value with ease

- Fair market evaluations of end-of-use devices<sup>2</sup>
- Reinvestment options through trade-ins by quote<sup>3</sup>—even for non-HP products<sup>1</sup>

## Streamlined Secure Process

Learn more about how to securely recover, reuse or recycle your end-of-use IT devices anywhere<sup>4</sup> at [hp.com/renew](https://hp.com/renew) or request a quote from your HP representative.

Disclaimers:  
1. The purchase of new HP devices is a prerequisite for non-HP branded devices.  
2. Fair market value is assessed based on device age and condition. Not all devices may have any residual value. If not, they will be responsibly recycled.  
3. Quote is subject to physical product evaluation upon receipt by HP.  
4. Service levels and response times for HP Recovery Service may vary depending on your geographic location. Service starts on the date of hardware purchase. Restrictions and limitations apply. [Learn more here.](#)
