

LaserJet Pro with HP+

Get a fast, fully-loaded printer and a smart printing system for effortless, secure, and sustainable printing.

Exclusive HP+ benefits include

- Guided, cloud-based setup so you can easily configure new printers and onboard users from any location¹
- Smart Admin Dashboard to monitor usage and control settings across multiple printers, in multiple locations
- Seamless connectivity so you can print from virtually anywhere, any device³
- Smart Security alerts to potential security risks with your settings²
- Dedicated tech support all back by an extended HP warranty^{4,5}
- We plant trees, protect or restore forests for every page you print with HP+⁶

HP+ requires an HP account, internet connection, and use of only Original HP toner for the life of the printer.
