

# Return to the Workplace Connectivity Solutions

## Prepare your office for a safe reopening.

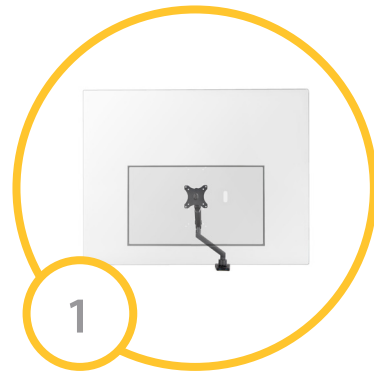

Whether you're limited on space and creating socially distanced hot desks, or simply trying to ensure employees feel comfortable, StarTech.com has the tools to help employees transition back to the office. Equip your teams and workstations with connectivity accessories that keep employees safe and productive as they return to the workplace.

### Health & Safety

#### MONPROTECT

Keep employees safe with an acrylic shield that provides a protective barrier in open-concept or customer facing environments.

[Learn More](#)

### Docking Stations

Create socially distanced and productive hot desks with docking stations that allow employees to easily connect and disconnect their devices from workstations.

[Learn More](#)

### Monitor Arms and Laptop Risers

Create comfortable workstations with monitor arms and laptop risers that offer simple viewing adjustments for employees switching between workstations.

[Learn More](#)

### Privacy and Security

Equip workstations with monitor privacy screens, laptop locks, and laptop anchors to ensure employee devices are secure and their sensitive data is protected when they return to the office.
