

Sustainable Impact Report

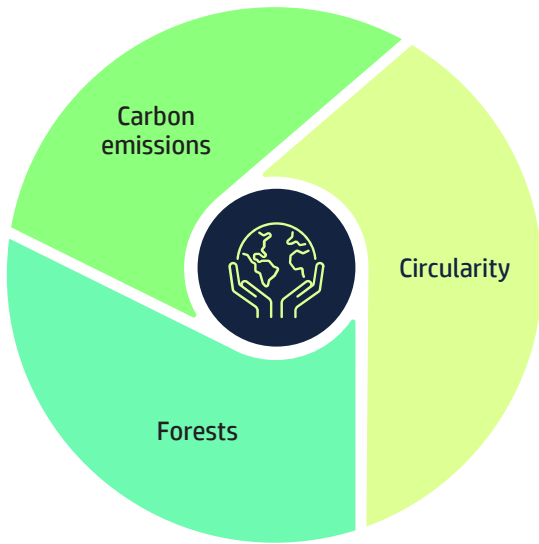

2020 EXECUTIVE SUMMARY

SUSTAINABLE IMPACT

Our Strategy

We have created an ambitious agenda, rooted in science and aligned to the UN Sustainable Development Goals, that connects HP to the most defining and urgent issues of our time where we can have the greatest impact as a brand: Climate Action, Human Rights, and Digital Equity.

We prioritize efforts where HP's technology, talent, and platform can do the most good, and we support a culture shift that fully integrates Sustainable Impact and purpose throughout every aspect of our business and ecosystem.

PLANET

Climate Action

Drive toward a net zero carbon, fully regenerative economy while engineering the industry's most sustainable portfolio of products and solutions.

PEOPLE

Human Rights

Create a powerful culture of diversity, equity, and inclusion. Advance human rights, social justice, and racial and gender equality across our ecosystem, raising the bar for all.

COMMUNITY

Digital Equity

Lead in activating and innovating holistic solutions that break down the digital divide that prevents many from accessing the education, jobs and healthcare needed to thrive. Drive digital inclusion to transform lives and communities.
