

Original HP Toner

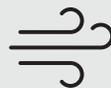

Reliable printing you can trust

QUALITY

Legendary performance

Be confident that Original HP Toner Cartridges provide the printing experience crucial for productivity in your office. Count on high-quality, reliable printing¹ and save time by avoiding common printing problems.

INDOOR AIR QUALITY

Meets eco-label emission criteria³

HP voluntarily designs and tests its printing systems⁴ to prevent emissions that exceed (EPEAT®, eco-label) guidelines. When you choose Original HP Toner Cartridges, you're sharing in our commitment to indoor air quality.

SUSTAINABILITY

Free and easy recycling to help close the loop²

Original HP Cartridges returned through HP Planet Partners are never sent to a landfill. You can recycle them for free in 60 countries and territories to become part of the circular economy.²

SECURITY

Designed for security you can trust

At every step of the design, supply chain, and production process for Original HP office cartridges, security is built-in with tamper-resistant chips, firmware, and packaging.⁵

Get the printing performance you expect from HP

Your business productivity and office environment matter. HP designs toner cartridges to be easy to use, dependable, secure, and part of a closed-loop economy.² You can rely on Original HP Toner Cartridges to keep your printers running smoothly.

Avoid problems when using non-HP toner cartridges

Print quality

Print quality problems are 70% more likely when using non-HP toner cartridges.⁵

Sustainability

92% of non-HP toner cartridges end up in landfills.⁷

Indoor air quality

When tested, 95% of non-HP toner cartridges failed eco-label emission criteria.³

Security

Don't take chances. Original HP office cartridges are certified with the ISO/IEC 20243 standard for product integrity to mitigate malicious tampering and counterfeit in the supply chain.⁸
